- **Properties**

A dry-oil cleanser for perfect daily facial cleansing. Gently cleanses impurities and **makeup**, even **waterproof**, as well as restoring the skin's natural condition, without leaving it feeling oily. Its micellar formula is capable of removing any kind of impurities.

Keeps the skin perfectly hydrated, leaving it silky and supple, without causing a feeling of tightness.

- **Key components**

Bio-algae. This prebiotic compound, with significant nutritional properties (Superfood), has been shown through external studies to have the capacity, not only to boost microbiome balance (prebiotic effect), but also stimulate regeneration of the skin's epidermal cells to produce a revitalizing and rejuvenating effect.

Chia oil or Salvia Hispanica Is a plant source of essential fatty acids (omega-3) and antioxidant components which offers protective and anti-aging properties.

Squalane Is a natural derivative of squalene, one of the main components of sebum and the skin's hydro-lipid mantle which acts as a natural barrier. The squalane present in the range, is obtained from plant sources such as olives and covers the loss that can be caused when removing makeup or cleansing, strengthening the natural defense system.

- **How to use**

Smooth a few drops over the face. Use wet hands to massage and lather then remove with lukewarm water.
